Commercialisation of Education

3357. SHRI S. K.T. RAMACHANDRAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that there is mushroom growth of Self Financing Educational Institutions at all levels in several disciplines in some States which are run purely on commercial basis, and have become a growing menace to the core cause and object of education; and

(b) if so, what steps are taken by Government to arrest this tendency towards commercialisation of education?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPARTMENT OF EDUCATION AND DEPARTMENT OF CULTURE) (KUMARI SELJA): (a) and (b) The Central Government has been taking persuasive and preventive measures to curb commercialisation of education. It has been urging upon the State Governments to take steps to prevent charging capitation fees. The All India Council for Technical Education (AICTE) has been vested with statutory powers for the coordinated and integrated development of technical and professional education in the country and to prevent its commercialisation.

Under Section 26(1)(i) of the University Grants Commission Act, the Commission has the power to make regulations specifying the matters in respect of which fees may be charged.

The Indian Medical Council (Amendment) Bill, 1987 proposes to abolish capitation fees as presently charged by private medical colleges and would enable the Council to fix the ceiling of tuition fees and other charges.

School education is primarily the concern of State Governments/UTs and they have their Acts/Rules to prohibit charging capitation fees.
